

Captains Training Camp (CTC) is a 3-day training camp to be conducted from 23 - 25 November to select Company Captains and Vice Captains for the 3 companies Alpha, Bravo and Charlie.

As a large number of Cadets (more than 50) applied for the post, a one day Pre - Captains Training Camp had to be organised on 21st Nov in order to shortlist the best 20 cadets.

The Pre-CTC comprised of a physical fitness test and a written examination.

For physical fitness test, cadets were called at 6:45 AM and were asked to run a cross country race within particular time limit for boys and girls.

The written examination was conducted in afternoon from 2:00-4:30 PM and was designed to check a cadet's basic general knowledge about NCC and to know about a cadet's cognitive thinking and problem-solving skills.

All the Cadets put in a lot of effort but in the end only the best got through.
