

ATC Day - 3

Getting to use firearms is one of the major perks of being an NCC Cadet. On the third day of the camp, all the girl cadets of IIT along with the students of DY Patil and Doshi Vakil College were taken to the Pokhran firing range, Thane. Every cadet was first taught to properly hold and use the weapon and after that were given five rounds each to fire on a target at a distance of 25m with a 0.22mm sporting rifle.

Meanwhile in NCC Area, CTO Pritesh Yadav (IIT Bombay) took a lecture on importance of Physical Fitness as well as on methodologies by which the students can maintain good health in a long run followed by a lecture by ANO Rakesh Pawar (Doshi Vakil College) on Unity in Diversity and secular approach towards development and growth both as an individual and as a country.

Colonel AS Mehta then briefed the cadets about the available career opportunities in armed forces and the perks they can have for being an NCC Cadet.

The exhausting day concluded with the evening Roll Call wherein all the 300+ cadets sang the NCC song in unison and were then briefed about the next day's schedule.
