

## ATC Day - 1

The very first day of ATC aimed towards contributing our good part towards society. Cadets of NCC IIT Bombay participated in The Career Counselling Campaign in association with Abhyuday, The Social Body Of IIT Bombay.

As a part of this event, cadets went out in different schools across the city for career counseling of school kids. The campaign was aimed to mentor and guide school students about myriad career opportunities available to them in a variety of fields like PCM, PCB, Commerce , Arts, etc.
