

Here we begin with the Combined Annual Training Camp (CATC - 411), the camp that comprises of the most Exhilarating, Adventurous and fun-filled 10 days of the year in NCC. More than 300 students from IIT Bombay, DY Patil College of Engineering, MTES Doshi Vakil College, Atomic Energy Central School and Campus School, IIT Bombay are taking part in this camp.

Students from these colleges and Schools would be staying in the IIT campus and would also compete in different sports, drills and cultural activities to fight for the glory of their respective institutions.

This camp would not only be an onerous challenge but also a great learning opportunity for all the cadets.

Stay tuned for further updates...
